

Axis Chair

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Seating
Recommended sectors	Office, Hotel
Dimensions W x D x H	55 x 50 x 72 cm
Material	Oak veneer
Finish	Natural oak
Durability planning class	Standard commercial
Availability	Made to order
Minimum order	5
Estimated lead time	4 weeks
Indicative unit budget	EUR 240 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Contour Armchair

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Tables
Recommended sectors	HoReCa, Retail
Dimensions W x D x H	65 x 60 x 78 cm
Material	Powder-coated steel
Finish	Graphite
Durability planning class	Heavy commercial
Availability	Sampling available
Minimum order	10
Estimated lead time	5 weeks
Indicative unit budget	EUR 350 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Frame Sofa

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Storage
Recommended sectors	Hotel, Public
Dimensions W x D x H	75 x 70 x 84 cm
Material	Contract textile
Finish	Warm grey
Durability planning class	High-traffic
Availability	Planning stock
Minimum order	15
Estimated lead time	6 weeks
Indicative unit budget	EUR 460 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Grid Bench

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Beds
Recommended sectors	Retail, Office
Dimensions W x D x H	85 x 80 x 90 cm
Material	HPL
Finish	Terracotta
Durability planning class	Standard commercial
Availability	Made to order
Minimum order	20
Estimated lead time	7 weeks
Indicative unit budget	EUR 570 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Arc Stool

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Reception
Recommended sectors	Public, HoReCa
Dimensions W x D x H	95 x 90 x 72 cm
Material	Solid wood
Finish	Walnut
Durability planning class	Heavy commercial
Availability	Sampling available
Minimum order	5
Estimated lead time	8 weeks
Indicative unit budget	EUR 680 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Line Table

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Outdoor
Recommended sectors	Office, Hotel
Dimensions W x D x H	105 x 50 x 78 cm
Material	Oak veneer
Finish	Natural oak
Durability planning class	High-traffic
Availability	Planning stock
Minimum order	10
Estimated lead time	9 weeks
Indicative unit budget	EUR 790 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Span Desk

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Seating
Recommended sectors	HoReCa, Retail
Dimensions W x D x H	115 x 60 x 84 cm
Material	Powder-coated steel
Finish	Graphite
Durability planning class	Standard commercial
Availability	Made to order
Minimum order	15
Estimated lead time	10 weeks
Indicative unit budget	EUR 900 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Node Meeting Table

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Tables
Recommended sectors	Hotel, Public
Dimensions W x D x H	55 x 70 x 90 cm
Material	Contract textile
Finish	Warm grey
Durability planning class	Heavy commercial
Availability	Sampling available
Minimum order	20
Estimated lead time	11 weeks
Indicative unit budget	EUR 1010 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Plane Coffee Table

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Storage
Recommended sectors	Retail, Office
Dimensions W x D x H	65 x 80 x 72 cm
Material	HPL
Finish	Terracotta
Durability planning class	High-traffic
Availability	Planning stock
Minimum order	5
Estimated lead time	12 weeks
Indicative unit budget	EUR 1120 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Core Side Table

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Beds
Recommended sectors	Public, HoReCa
Dimensions W x D x H	75 x 90 x 78 cm
Material	Solid wood
Finish	Walnut
Durability planning class	Standard commercial
Availability	Made to order
Minimum order	10
Estimated lead time	4 weeks
Indicative unit budget	EUR 1230 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Block Cabinet

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Reception
Recommended sectors	Office, Hotel
Dimensions W x D x H	85 x 50 x 84 cm
Material	Oak veneer
Finish	Natural oak
Durability planning class	Heavy commercial
Availability	Sampling available
Minimum order	15
Estimated lead time	5 weeks
Indicative unit budget	EUR 240 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Rail Shelf

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Outdoor
Recommended sectors	HoReCa, Retail
Dimensions W x D x H	95 x 60 x 90 cm
Material	Powder-coated steel
Finish	Graphite
Durability planning class	High-traffic
Availability	Planning stock
Minimum order	20
Estimated lead time	6 weeks
Indicative unit budget	EUR 350 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Module Wardrobe

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Seating
Recommended sectors	Hotel, Public
Dimensions W x D x H	105 x 70 x 72 cm
Material	Contract textile
Finish	Warm grey
Durability planning class	Standard commercial
Availability	Made to order
Minimum order	5
Estimated lead time	7 weeks
Indicative unit budget	EUR 460 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Vector Credenza

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Tables
Recommended sectors	Retail, Office
Dimensions W x D x H	115 x 80 x 78 cm
Material	HPL
Finish	Terracotta
Durability planning class	Heavy commercial
Availability	Sampling available
Minimum order	10
Estimated lead time	8 weeks
Indicative unit budget	EUR 570 excl. VAT, freight and installation
Certification / standards	Not declared - company verification required

Related resource: [finish-material-guide.pdf](#). BIM/CAD status is listed in [bim-cad-library.csv](#); no production-ready geometry is supplied in this demonstration.

Index Locker

This structured technical sheet is demonstrative. Dimensions, materials, price, availability, performance and compliance must be verified by the company before specification or ordering.

Field	Demonstration value
Category	Storage
Recommended sectors	Public, HoReCa
Dimensions W x D x H	55 x 90 x 84 cm
Material	Solid wood
Finish	Walnut
Durability planning class	High-traffic
Availability	Planning stock
Minimum order	15
